APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of Claim No. 750 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The distribution of the water granted under this permit is at all times under the control of the Federal Water Master.

This permit and Permit 71486 are limited to 10.0 acres within the described place of use.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to decreed, but not to exceed 31.5 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

March 21, 2007

Proof of completion of work shall be filed on or before:

April 21, 2007

Water must be placed to beneficial use on or before:

March 21, 2009

Proof of the application of water to beneficial use shall be filed on or before:

April 21, 2009

Map in support of proof of beneficial use shall be filed on or before:

April 21, 2009

IN TESTIMONY WHEREOF, I, HUGH RICCI, P.E.,

State Engineer of Nevada, have hereunto set

my hand and the seal of my office,

this 21st day of March, A.D. 2006

  
State Engineer

7 acres to be removed from irrigation in the North part of the SW $\frac{1}{4}$ NW $\frac{1}{4}$  Section 7, T.16 N., R.22 E., MDM

**Item 15. Remarks**

The water under this application is to be supplemented by groundwater rights under applications that are being filed concurrently to change portions of certificated Permits 23685 and 26729. These three applications, together with another application that is being filed to change a portion of Carson River Decree Claim 749, are to be limited to irrigation of 10 acres within the proposed place of use. Use Carson River Decree mapping on file at the Division of Water Resources to support the proposed and existing points of diversion.
